

A small circus arrives near Trieste — Strong Man, lion, ballerina — from these elements is constructed a contemporary idyll of troubled beauty and humour ...

What is life about? Was that man shot from a cannon? Should one visit The Tent of Curiosities? Crucially, Have you got your ticket?

With a nod to Robbe-Grillet's *Jealousy* and to *The Umbrellas of Cherbourg*, and yet another to *A Bad Day for The Sung Dynasty*, *The Circus* succeeds in being entirely original.

If you cannot attend the launch of *The Circus*, but would like to order the book, you may do so by completing the section below and sending it to Wakefield Press.
